You'll have a soft spot for this one. Using only fresh Michigan tart cherries, this beauty tantalizes with intense flavors combined with a no hesitation malt bill. Adding fresh cherries at five separate stages of fermentation achieves the ultimate balance between tartness and sweetness.

Think white-pinkish head. Medium carbonation. Cloudy rosy amber color. Aroma is tart, earthy, cherry pits and a touch of cherry pancake syrup. Flavor starts fairly sweet-tart. Lots of juicy cherries. Sweet dark cherry in the middle, almost cherry pie like. Nice light puckering towards the finish. More sweet than tart.

Not too complex but tasty.
